[32 groups unrecoverable]

Note: [a] Inserted by translator.

Comments: [i] POGONIN : In USA from 25.11.43 until 30.6.46. Other references in the traffic to POGONIN (full name not given) are in two messages from MOSCOW to NEW YORK - No. 196 of 3.3.45 (3/NBF/T1009) and No. 225 of 13.3.45 (3/NBF/T970).

[ii] NAVAL NEIGHBOURS : Members of Soviet Naval Intelligence.

[iii] "NIKITIN" : In view of the stated connection with the Naval Neighbours this is presumably a cover-name. Probably no connection with the NIKITIN of the "SALLY" story who was scheduled to return to the USSR immediately after bringing SALLY to the U.S.A. i.e. in August 1943.

[iv] NIKITIN : Possibly refers to Capt. Boris Viktorovich NIKITIN, a member of SGPC and Commander of the Subchaser Centre at MIAMI. POGONIN appears to have belonged to this organization, since EL'TSOV, to whose office he was assigned - see 3/NBF/T1009 referenced above - was NIKITIN's Administrative and Supply Officer (WASHINGTON's No. 1310 of 16.6.43 - 3/NBF/T1422).
